The story revolves around the success and failure of two brothers: Bhiku and Mangal Singh (Akshay Khanna and Paresh Rawal). The film is based on the 1971 satire-comedy "Wedding Album" (also called "Wedding Party"). Khan is a master in rendering hilarious scenes in the movie. There are many regional language songs such as Hindi, Punjabi, Sindhi, Tamil, Telugu etc. But there are no songs in all regional languages because of the lack of time during the film shooting process.

The music was composed by Raju Khan.

Raj Kanwar (Director) was the Filmfare Award for Best First Film of a Director in 2007. The film has performed well at Box Office. The music was appreciated for its freshness and its spectacular sound effects. Although it had an under-performance at the box office, it still got good reports from the critics. It has been reported that there were attempts to censor the film in some countries, but they were denied approval by the IMB owing to time constraints encountered during its film shoot and also because of insufficient publicity about the movie. Faltu is a 2014 Bollywood comedy film directed by Ritesh Batra, starring Arunoday Singh, Priyanka Chopra and Irrfan Khan. The film is based on the 2009 Bollywood movie Faltu, but like Faltu (2006), it too has no English songs.
